Funeral and Cremation costs can be very confusing. Often times other funeral & cremation providers will quote what seems like a low price, but actually they do not give you the complete costs and there will be hidden add on charges after you have chosen to utilize their services. We have made it easier to understand by creating our “No Hidden Fee Guarantee” package plans. The *Total Funeral Home Cost* includes Service Fees and Merchandise. We guarantee that the price we give you will be the price that you will pay. *Necessary Disbursement* items, sales tax and cemetery expenses are additional: What some funeral homes fail to disclose are the additional fees that may be necessary. These include obituaries, honorariums (clergy, musicians), catering, etc. We will be more than happy to provide a quote so that you will have an estimate that is as accurate as possible.
